Fiscal Impact/Funding Source

The estimated total cost of the acquisition is \$745,000 and includes \$740,000 for the purchase of the real property and \$5,000 for closing costs. The funding source for the acquisition and development of the park is from Open Space Impact Fee funds.

This acquisition complies with Resolution No. R-953-12, which directs the County Mayor or County Mayor's designee to consider and analyze whether an undeveloped vacant parcel of land adjacent to an existing County park that is for sale should be purchased by the County to expand the park as funds are available for the expansion of the park and the expansion will contribute to the social well-being of area residents.

This Contract for Sale and Purchase is entered into as of the _____ day of _____, 2015 by and between MIAMI-DADE COUNTY, a political subdivision of the State of Florida, and successors in interest, hereinafter referred to as "Buyer", whose Post Office Address is 111 N.W. 1st Street, Suite 2460, Miami, Florida 33128, and Priority Holdings, LLC, a Florida limited liability company, hereinafter referred to as "Seller" whose Post Office Address is 5794 Bird Road, Suite 210, Miami, Florida 33155.

WITNESSETH, that for and in consideration of the mutual covenants contained herein, the Buyer and Seller agree as follows:

1. REALTY. Seller agrees to sell to Buyer, and its successors in interest, and Buyer agrees to purchase from Seller that certain real property, located in Miami-Dade County, Florida, which real property is legally and more specifically described in Exhibit A hereto and incorporated herein by this reference, together with all tenements, hereditaments, privileges, servitudes, rights of reverter, and other rights appurtenant to said real property, if any, and all buildings, fixtures, and other improvements thereon, if any, all fill and top soil thereon, if any, all oil, gas and mineral rights possessed by Seller, if any, and all right, title and interest of Seller in and to any and all streets, roads, highways, easements, drainage rights, or rights-of-way, appurtenant to the Real Property, if any, and all right, title and interest of Seller in and to any and all covenants, restrictions, agreements and riparian rights as same may apply to and benefit the Real Property, if any (collectively, the "Real Property").

2. PURCHASE PRICE. Buyer agrees to pay a purchase price for the real property of \$740,000.00 (Seven Hundred Forty Thousand and 00/100 Dollars), by County check or wire transfer of U.S. funds. The purchase price is predicated on a site area of 43,560 square feet or 1.00 acre more or less, and shall be adjusted according to the net acreage as determined by the final survey as referred to in Paragraph 7 herein, and exclusive of any dedicated rights-of-way located, thereon. The purchase price to be paid at closing shall be subject to other adjustments and prorations provided for herein and will be paid at closing by County check for the Property referenced above.

3. INTEREST CONVEYED. Seller is the record owner of the fee simple title to the subject Property and agrees to convey good, marketable and insurable title by General Warranty Deed.

4. AD VALOREM TAXES. Buyer, a political subdivision of the State of Florida, is exempt from payment of ad valorem taxes. Therefore, it shall be Seller's responsibility to comply with Section 196.295, Florida Statutes by placing the appropriate amount of pro rata taxes to the day of closing and any delinquent taxes in escrow with the Miami-Dade County Tax Collector.

5. TITLE INSURANCE. Buyer may, at its expense, within fifteen (15) business days of

✓
//

the effective date of this Contract, obtain a marketable title insurance commitment and furnish a copy to the Seller. Said commitment shall show a good, marketable and insurable title to the Property in the Seller's name. Buyer shall have ten (10) business days from receipt of title commitment to inspect said title documents and report defects, if any, in writing to the Seller. Buyer may at Buyer's expense obtain an owner's marketable title insurance policy (ALTA Form "B") from a title insurance company licensed by the State of Florida ("Title Company") in the amount of the purchase price. In addition, the policy shall insure title to the Real Property for the period between closing and recording of the General Warranty Deed. In connection herewith, Seller agrees to provide all affidavits and other documents as required by the title insurer. If the title commitment shows title to the Property to be unmarketable and uninsurable, then this Contract shall be rendered null and void and both Buyer and Seller shall be released of all obligations hereunder, except that Buyer may waive any defects and proceed with closing at Buyer's option.

6. INSPECTIONS/HAZARDOUS MATERIALS. Buyer shall, at Buyer's sole cost and expense and at least thirty (30) days from the effective date of this Contract, furnish to Seller an environmental site assessment of the Property. The Buyer shall obtain a PHASE I Environmental Site Assessment Report of the Property by the Miami-Dade County Department of Regulatory and Economic Resources (DRER) and conduct a review of the environmental site assessment as required or recommended by DRER to determine the existence and extent, if any, of hazardous materials or toxic substances and hazardous waste on the Property in violation of any laws, ordinances, rules or restrictions of any governmental authority having jurisdiction. The term "Hazardous Materials" shall mean any hazardous or toxic substance, material or waste, it shall also include solid waste or debris of any kind. Should such inspections show defects to the Property, including the presence of hazardous material and/or excessive development cost, which Buyer is unable or unwilling to accept, Buyer may elect to terminate its processing of this Contract by giving Seller written notice prior to the expiration of the Inspection Period, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof, unless Seller in Seller's sole discretion elect in writing to repair such defects to Buyer's satisfaction. If Seller agrees to repair such defects by Closing, Buyer will proceed to Closing without delay. If Seller is unwilling to repair such defects to Buyer's satisfaction, Buyer may waive all such defects and proceed to Closing at Buyer's option without adjustment to the Purchase Price such option to be exercised in writing within fifteen (15) days of Seller notice to Buyer that they are unable or unwilling to repair such defects. If Buyer does not waive such defects, this Contract shall terminate as above set forth. If the PHASE I Environmental Site Assessment Report or subsequent testing confirms the presence of hazardous materials or toxic substances and hazardous waste on the Real Property, Buyer or Seller may elect to terminate this Contract within fifteen (15) days of receipt of such Letter or testing reports by giving written notice to the other party, whereupon both Buyer and Seller shall be released from all further obligations hereunder, except those which expressly survive the termination hereof. Should Buyer and Seller elect not to terminate this Contract and proceed with Closing, Seller shall, at Seller's sole cost and expense, promptly and diligently commence and complete any and all assessments and clean ups and monitoring of the Real Property necessary to obtain full compliance with any and all applicable governmental restrictions.

7. SURVEY. Buyer, at Buyer's sole cost and expense and not less than 30 days prior to closing, obtain a current certified boundary survey of the Property prepared by a professional

land surveyor licensed by the State of Florida. The survey shall be certified to the Buyer, the Title Company and the Seller. The date of certification shall be within sixty (60) days before the Closing date, unless this sixty (60) day time period is waived by Buyer and by the Title Company for purposes of deleting the standard exceptions for survey matters and easements or claims of easements not shown by the public records from the owners' title policy. The survey shall contain a certification of the number of square feet and calculated acreage contained in the Real Property, less any dedicated right of way thereon. If the survey shows any encroachment on the Real Property or that any improvements on the Real Property encroach on the land of others, the same shall be regarded as a title defect. The legal description in the survey shall be subject to Seller's and Buyer's approval.

8. RIGHT TO ENTER REAL PROPERTY. Seller agrees that Buyer and its agents shall, upon reasonable notice, have the right to enter the Real Property for all lawful and agreed upon purposes in connection with this transaction provided the Buyer shall indemnify and hold Seller harmless for damage or injury caused by Buyer and its agents subject to all limitations of Section 768.28, Florida Statutes. Buyer shall not in the course of such entry make any invasive tests, alterations or improvements to the balance of the parent tract owned by Seller, except with the express written consent of Seller. Buyer hereby agrees to indemnify, protect and hold harmless Seller from and against any and all claims, demands, losses, costs, damages to the balance of the parent tract. If Closing does not occur, Buyer shall repair and restore the Property to the condition existing prior to any test or construction on the site.

9. TENANCIES. Seller further warrants and represents that no person is living on or occupying the Property, that there is no tenant in possession of the Property and that there are no leases or other agreements and understandings affecting possession, use or occupancy of the Property.

10. PRORATIONS: In addition to proration of taxes as provided in Paragraph 4 above, expenses for electricity, water, sewer, waste collection, and personal property taxes, if any and all revenue if any shall be prorated to the day prior to closing.

11. LIENS. All liens of record, including certified municipal and county liens, as well as special assessments, if any, shall be paid in full at or before closing by the Seller. If a pending lien has been filed against the subject Property which has not been certified as of the date of closing, and the work and improvements for which the lien was filed have been completed prior to the closing, despite the fact that the pending lien has not been certified, such lien shall be paid by the Seller.

12. CLOSING. The closing of this transaction shall be completed within forty-five (45) days of the Effective Date of this contract unless otherwise extended, as mutually agreed upon by both Buyer and Seller or as otherwise provided herein. The precise date, time, and place of closing shall be set by Buyer and Seller.

Time is of the essence of this Contract. All obligations are subject to Acts of God or Nature or any other occurrence, which is beyond the control of Seller or Buyer. All time periods will be

calculated in business days.

14. BROKERS. Any and all real estate fees or commissions claimed due pursuant to this transaction to any real estate broker or agent shall be paid by the Seller. In no event shall either party be liable for any special, consequential, or punitive damages for any default under this Contract.
